Conclusion Closing

Action items	Person responsible	Deadline
Topic 1	Presenter Name	Date time
Topic 2	Presenter Name	Date time

--quarter 3 has started, everything has gone smoothly

--teacher's convention was all online—lots of positive feedback as to number of sessions they were able to attend

--busses not running last week so the quarter slowed down

-musical theatre program is progressing

--admin procedures changed for no bus days (attendance was dependent on classes—more seemed to be in science and math classes—especially grade 12, as the week progressed there were more learning more from home as teachers had google classroom and meets were more available)

--new instruction can potentially be taught based on specific criteria (# of students in class, how many can access info online)

--beneficial with quarter system in place

--athletics protocols have changed—not moving forward with basketball program, but looking into badminton when that season would start

--grade 9 virtual open house on Feb 25—document will be sent to feeder schools so that they can look into programming

--virtual visits to grade 9s are out to feeder schools—been a process with the needs of option 1 and option 2 students

--grad – no formal discussion yet, but have been looking at different directions with SPA and Memorial

--is it to pool resources? To offer same event?—both is the consideration

--a survey will be sent out for some feedback from parents and students

--grad picture feedback—seemed to go well even with necessary protocols

--
