

Scholarships due in January:

John Evans Engineering Entrance Award – Graduating Grade 12 female students who have submitted an application to an accredited engineering program at a Canadian University. One key requirement is that each ambassador must deliver at least one presentation to a junior-high or high school audience to explain “Why I Chose to Become an Engineer.” See website for full details.

Value - \$5,000, travel and accommodation to awards ceremony and work placement with Fortis Inc.

Deadline – January 13
