Where the World Opens Up

Spruce Grove Composite High School

Accountability Pillar Results Summary Report

October 20, 2016

Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in grades four, seven and ten;
- Students in grades four through nine (small schools);
- Parents of students in grades four, seven and ten;
- Teachers.

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Student responses were grouped within the *“Tell Them From Me”* survey process. Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

Responses to the surveys were received from approximately:

- 40 Parents (down from last year). Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 413 parents responded to the survey;
- In Spruce Grove Composite High School, approximately 600 students responded to the survey;
- In Parkland School Division: 4,064 Students (1,449 in Grades 4-6 | 1,230 in Grades 7-9 | 1,385 in Grades 10-12)
- 50 teachers responded.

These are approximate numbers as not every student answers every question.

Spruce Grove Composite High School Highlights and Celebrations:

- Our 3-year High School Completion Rate continues to beat the provincial average and continues to improve (83.6%).
- Our Drop Out Rate continues to be lower than the provincial average (2.6%).
- We are above the provincial average for the percentage of students taking 4 or more Diploma Exam courses (55.4% up from 53.2% previously).
- We have 12% more of our students qualifying for the Rutherford Scholarship than the provincial average.

Areas Requiring Strategic Planning:

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal: Inclusive Education, Quality Learning, Culture of Wellness, and Universal Leadership.

Our school's plan for education aligns to the Board's Education Plan.

- We currently are 10% behind the provincial average in Parental Involvement. Parents have indicated that they would like to be more actively involved with the school and their child's education.
- We are 14% behind the provincial average in Work Preparation. This is a 6% decline from the previous year.
- Our Level of Excellence on Diploma Exams is slightly below provincial average. We would like to see it meet or exceed the province.

Academically Derived measures are also provided on our school webpage. These 2015-2016 measures include:

- Diploma Examinations (Acceptable and Excellence)
- Participation Rate

Measure by Measure – Survey Results for Spruce Grove Composite High School

A.1b Program of Studies Measure History: Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.
