| School Board Trustee Report | Anne Montgomery

- Education draft plan approval on upcoming meeting (Tuesday)
 - smaller virtual engagement happened instead of the full day event that normally happens
 - will include job description for School Board Trustee
- Nutrition information presentations put forward to The Board by Save-On Foods and PSD staff
 - forgotten lunch program—increased during pandemic
 - The Board is looking at needing the following information moving forward:
 - -can we rely on grant funding forever?
 - -how do we know the economic diversity in our division?
- Quality learning and wellness—draft k-6 curriculum
 - listen to stakeholders and administration and educators
 - Board Chair will be sending a letter with feedback about the draft curriculum
- Fiscal responsibility
 - The Board agreed to the assumptions for the 2021-2022 budget
 - there are unknowns that need to be put in place
 - lots of strings tied to provincial govt which impacts the way we can use our budget (govt can claw back funding if it is not used)

General

- We are on the second week of Learning at Home.
- The majority of 9s, 10s and 11s completed their course selections for next school year. Grade Coordinators are using this time to touch base with students who have not done so, as well as to touch base with At Home Learners.
- We are at the very beginning stages of scheduling for next year.

Grad

- SGCHS, Memorial and SPA Drive-In Grads at the Expo Centre are back on as of the latest Government Announcement; June 11 for ours and June 12 for SPA and Memorial. More details to come.

Musical Theatre

- With the move to Learning At Home and current Covid restrictions, unfortunately, we are unable to support the full-scale production. Students certainly gave it there all and their hard work is recognized but not in a final performance format.

Staffing for 2021-2022

- Congrats to Dave Oldham who will be moving to Stony Plain Central as an Assistant Principal. Growth to the program and Dave's vacancy means we are hiring two LAWS Teachers for next year.
- We are currently advertising for an Automotives/Fabrication/Science Teacher and a Social Studies Teacher. We will also have a couple of Social Studies/English Temporary Teachers to cover Maternity Leaves.
