Frequently asked questions:

1. When does registration for the current grade nine students begin?

The Administration and Counsellors from SGCHS will be visiting all feeder schools in February. Grade 9 students and their families will complete their PSD online registration over the next 6 weeks. Course selection will happen in April at their current school. Online registration must be completed in order to select courses.

2. How do students and parents know which academic courses to register in?

The current grade 9 core teachers will make suggestions to you and your students.

3. How do the grade 9 teachers determine which courses to register students in?

The grade 9 teachers will look at current grades/work ethic, and in consultation with grade 10 teachers, determine the recommended courses.

4. What are the programs available for core subjects in their grade 10 year?

Diploma Route			Certificate of Completion (K & E)
English 10-1	or	English 10-2	English 10-4
Math 10C	or	Math 10-3 (or Math CT)	Math 10-4
Science 10	or	Science 14	Science 10-4
Social Studies 10-1	or	Social Studies 10-2	Social Studies 10-4

5. What does Seminar, Personalized Learning Time (PLT) and self-directed learning look like at SGCHS?

Self-Directed Learning:
• Self-directed learning provides choices
• Student assistance and instruction in areas of self-identified needs
• Critical thinking and reflective learning
• Engaged student contributors as opposed to disengaged observers
• Fundamental shift in the structure of the school day has led to a shift in culture
• Self-assessment to improve student success
• Meaningful relationships

SGCHS will focus on:
• Mastery learning
• Rigorous and relevant curriculum
• Personalization
• Flexible learning environments
• Student engagement
• Responsible citizenship
• Professional development
• Home and community involvement

6. What if the course is too difficult or too easy?

The high school programming is flexible enough to allow for movement between courses as students need change. The grade administrator and counsellor work closely with you and your child as needs arise.

7. How many credits are required for a High School Diploma?

A minimum of 100 credits is needed for graduation however it is recommended that students take 110 credits in their high school career to keep all possibilities open to them.

NOTE: For the Knowledge & Employability Program (K & E) the requirement is 80 credits.

8. How can I obtain more information about SGCHS registration, programs and courses?
On the school's website sgchs.psd.ca, explore *For Newcomers* to learn about registration information and *Our Programs* to see what courses are offered.

9. Does my child have any course choices in their grade 10 year?

Yes, students can choose the complementary courses (options that they wish to experience).

NOTE: Please visit these areas and speak with the teachers during Open House. Information can also be found on the school's website sgchs.psd.ca under *Our Programs*.

10. How can I keep track of my child's attendance and grades?

Parents and students have access to PowerSchool and are able to access the above information as required. NOTE: Go to the school website sgchs.psd.ca and click on *Quicklinks* and then select *PowerSchool*.

11. Do I need to report a student absence?

Yes. An automated phone out with student absences occurs daily. Parents are required to call the school or email (sgchs.absence@psd.ca) to avoid an unexcused absence. Please phone ahead of time if possible. School phone number is 780-962-0800, extension 1. The voice mailbox has 24 hour access.

12. What happens if my child misses an assignment or exam?

Students are expected to make up missed assignments and exams to prevent falling behind. Your child is to meet with their teacher upon returning or prior to an absence if possible, to make arrangements to complete missed work. Assignments are to be completed in a timely manner as determined by the teacher.

13. What is the process in place for students to complete missed work?

- * Parents report the absence to the school.
- * The student meets with the individual teacher.
- * A date, time and place will be established for make-up work/assignments.

NOTE: Students may be directed to the after school Directed Learning Room.

14. How can I get in touch with my child's teacher if I have a question?

The easiest way to contact a teacher is by email. Email addresses are found on the school website. Teachers also have voice mail. SGCHS also has Twitter, a blog account and daily announcements are posted on our website.

15. When are Parent Teacher Interviews?

We have two Parent Teacher Interviews scheduled throughout the year. One occurs in November and one in March or April. Parents and students are strongly encouraged to take advantage of PowerSchool to stay on top of student attendance and grades.

16. Who does my child see if they have any concerns?

Mr. Robertson and Mrs. Spink are the Grade 10 assigned team working with grade 10 students and their parents.

17. What do high school students need to do to be successful?

- * Regular and consistent attendance is essential.
- * Students are required to complete assigned work.
- * Students need to be advocates for their learning ... "ask questions".
- * Students need to be engaged, cooperative and interactive in their learning.
- * Students need to be prepared and on time for classes.

18. What can parents do to help their child be successful?

- * Be involved and interested in your child's learning.
- * Limit (if possible) the amount of hours your child works during the week.
- * Support learning, attend School Council meetings and parent teacher interviews.
- * Check PowerSchool regularly, communicate with teachers and let us know how we can continue to support your child.
- * Encourage your child to get involved in activities, sports and clubs at the school.
