## SPRUCE GROVE COMPOSITE HIGH SCHOOL

**Building Excellence  
& Success Together**

### ADMINISTRATION MESSAGE

Welcome to May, a very busy month here at SGCHS. In Athletics our Rugby, Soccer and Track and Field programs are gearing up or in full swing, our Musical and Technical Theatre students are implementing final preparations for their production of Beetlejuice Jr on the 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup>, and our CTS students are preparing for and competing in Skills Canada competitions. It is always such a pleasure to see our students thrive in these very challenge-oriented environments.

Of course, this busyness and commitment is not just demonstrated outside the classroom, but inside as well. Students continue to progress through important core and complementary course learning outcomes to ensure strong demonstrations of learning, readiness for June's final exams and preparation for next steps, whether these steps be related to next year's courses in grade 11 or 12 or to life after high school, in the worlds of post-secondary schooling or of work. The effort and commitment I see students apply now truly does pay dividends in the future. Please encourage your student to maintain their focus and drive as they look fondly to the summer that will soon come.

With the future in mind, the course selection process is now complete and Grade Coordinators and Counsellors will be thoroughly reviewing student selections. This is to ensure that student's individual programs align with their interests, are academically appropriate and enable the successful attainment of their High School Diploma and access to desired post-secondary programming. Do not be surprised if you or your student is contacted directly in order to discuss aspects of their selection and possible changes. By having these conversations now, more accurate student timetables are built and less changes need to be made by students in June and late August.

Lastly, May's arrival didn't just bring warm weather - it also brought me! Yes, I have been away from SGCHS for a bit of time and am quite happy to be back. I have thoroughly missed both our students and staff and greatly appreciate how welcome I've been made to feel over the course of this last week. Thank you to Mr. Moody for acting in my place during my absence and to all students and staff for their positive contributions to our SGCHS Panther community over the course of this school year. I very much look forward to the remainder of this school year.

Sincere regards,

Cam Robertson  
SGCHS Principal

# PANTHER POINTS ...

- **YEARBOOKS** - Don't miss out! Order now through PowerSchool!

- **GRAD TICKETS - Now open!** - Visit the SGCHS website  
\*\*Graduates do not require a ticket\*\*

# REMINDERS AND UPDATES

## VISITORS AND GUESTS –

All visitors to SGCHS are asked to check in at the office and sign in if necessary.

## PARKING –

Student vehicles must be registered through the “For Students” tab on our website. Parking is reserved for Grade 11 and 12 students. Visitor parking is off-limits for students.

## SCHOLARSHIPS & AWARDS –

Grade 12 students - be sure to stop at Student Services and complete an application!

## REPORT A STUDENT ABSENCE –

You can now record a student absence using the new “Safe Arrival” system. Visit [sgchs.psd.ca](https://sgchs.psd.ca) to learn how.

## FEES –

Paying school fees supports the education experience for all our SGCHS students.

Check your PowerSchool account regularly for new fees that may have been added. Visit [www.psd.ca](https://www.psd.ca) or [sgchs.psd.ca](https://sgchs.psd.ca) for more information.

## MYPASS –

Get your myPass account today to view your progression, diploma results, credits and more ... see Student Services for details

**ANASTASIA RIDEOUT**

## FOOD FIGHT –

Ms. Jenna McKechnie and her Leadership students organized a Parkland Food Bank contribution drive. Thanks to our wonderful SGCHS students and community, over 2,467 pounds of food and supplies were donated- amazing!

## WORKING HANDS—

Mr. Keith Early and his Workplace Practicum students partnered with Kiwi Nurseries to learn how to keep green things growing. These experiences literally bring learning to life!

## MÉTIS CROSSING –

A group of lucky students travelled to Métis Crossing to experience traditional Métis games, crafts, and culture. It was a beautiful day to make some real connections to the curriculum!
