**DLR:** Directed Learning Room (DLR) Time is scheduled for most Tuesdays, Wednesdays and Thursdays from 3:15 until 5:00 p.m. DLR is assigned by teachers, and is designed for students to catch up on missed learning when they fall behind in their schoolwork. This may include assignments, exams or time missed when the student was late or not present in class.

**PERSONAL MOBILE DEVICES:** Personal mobile devices, such as cell phones and smart watches, are restricted during instructional time, as per Alberta Education policy. We strongly encourage students to leave their personal device in their locker or ensure that it is out of sight and powered off during instructional time. Students are expected to follow all staff directions regarding personal mobile device use. Medical exemptions, for students whose device aids in their monitoring of Type 1 diabetes as one example, can be obtained by contacting your grade level counselor.

**SCHOOL SUPPLIES:** Binders, loose leaf paper, pens, pencils and highlighters are typical supplies required. Course-specific supplies, including Math classes requiring a specific type of calculator, will be detailed to students in the classes that require them.
